

HOUSE PARTY 2015 RAISES \$34,800 TO SUPPORT FAMILIES WITH HOSPITALIZED CHILDREN

AUSTIN, Texas (June 11, 2015) – Austin’s young professionals came out to get down and give back at PGI Studios on June 6 to raise \$34,800 at Friends of the House’s annual House Party. Proceeds will support families with hospitalized children who rely on Ronald McDonald House Charities of Central Texas’ (RMHC CTX). Friends of the House is a young professional group that supports RMHC CTX through volunteering and fundraising.

"It was great to see 200 young professionals join us at House Party 2015 to not only have a good time but to help families who have critically ill or injured children," commented Benjamin Morton, president of the Friends of the House Leadership Council. "Their support will reach thousands of families who stay at RMHC CTX’s “home-away-from-home” while their children heal in the hospital."

Guests enjoyed music by DJ 5-oh, delicious picnic inspired bites by Di Lux Catering and Cru Wine Bar and delectable desserts by Bribery Bakery. Summer cocktails and brews were provided by Brown Distributing Company, Tito’s Handmade Vodka and TX Whiskey. To round out the evening, guests enjoyed fun backyard games including over-sized Jenja as well as capturing a photo memento from On the Flipside.

House Party’s sponsors were PGI Studios, Holtzman Partners, High Beam and Live Oak - Gottesman. Event Partners included Brown Distributing Company, TX Whiskey and Tito’s Handmade Vodka.
