COVID-19 Family Meal Guidelines

Volunteer groups are welcome to choose any restaurant or catering service you like. Once you choose a restaurant, please let René Carlin (rcarlin@rmhc-ctx.org) know so he can let the families know what will be served.

We request that meals be served individually or in individually packaged meals.

For breakfast, please order enough food for 10 people. The meals should be delivered to the House around 8:30 am.

For lunch, please order enough food for 10 people. The meals should be delivered to the House around 11:30 am.

For dinner, please order enough food for 15 people. The meals should be delivered to the House around 5:30 pm.

We are located at 1315 Barbara Jordan Blvd, 78723. The driver can park in our small parking lot behind the House. The lot is gated so you will need to buzz the intercom for staff to open the gate. Tell staff you are here to deliver meals, and you can park in any open space. Staff will meet the driver in the parking lot to receive the food.

Unfortunately, we are not allowing visitors into the House as an effort to prevent unnecessary person-to-person contact.

Thank you!
