## COVID-19 Family Meal Guidelines

Volunteer groups are welcome to choose any restaurant or catering service they like. Once they choose a restaurant, please let René Carlin ([rcarlin@rmhc-ctx.org](mailto:rcarlin@rmhc-ctx.org)) know so he can let the families know what will be served.

We require that meals be served in individually packaged containers.

For breakfast, we're asking groups to have enough food for 15 people. The meals should be delivered to the House around 8:30 am.

For lunch, we're asking groups to have enough food for 15 people. The meals should be delivered to the House around 11:30 am.

For dinner, we're asking groups to have enough food for 20 people. The meals should be delivered to the House around 5:30 pm.

We are located at 1315 Barbara Jordan Blvd, 78723. The driver can park in our small parking lot behind the House. The lot is gated so they will need to buzz the intercom for staff to open the gate. Tell staff they are here to deliver meals, and they can park in any open space. Staff will meet the driver in the parking lot to receive the food.

Unfortunately, we are not allowing visitors into the House as an effort to prevent unnecessary person-to-person contact.

**Thank you!**
