

# Santa's Workshop 2020

*Make Our Holiday Wishes Come True*

This year, we have modified our annual Santa's Workshop event and ask for your help putting together gift bags for RMHC CTX families.

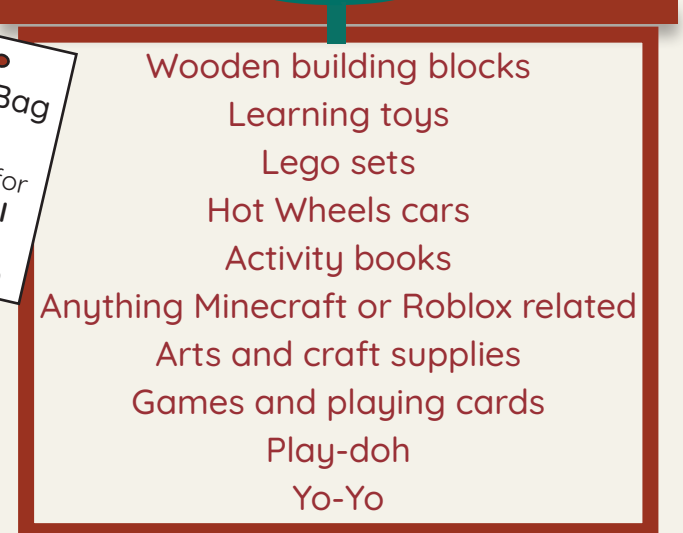

Choose a gift bag number from the list, gather items from the list, wrap them in a gift bag and place a visible gift tag on the bag identifying the gift bag number. All gift items should be new, gender neutral and fit inside a bag the size of a reusable grocery bag.

Please also include a gift card to a store (Target, Walmart, HEB, or Visa) where the families can complete their holiday shopping. The gift card should be \$25 or less.
