Please start by visiting our campaign page at:

<https://www.justgiving.com/campaign/bethelight2021>

Click the orange "Start fundraising" button on the right.

If this is your first time making a JustGiving page, you can expect to:

- Enter your name and email address.
- Create a password.
- Provide additional information to complete your profile.
- Review the details and choose "Create your page."

Already have an account? Look for the "Log in" link below the sign up box and enter your info from last year. You'll have a chance to reset your password if you forgot it. You will need to create a new page that links to this year's campaign, but you can see your text and donors from last year as a starting point. Click your name in the top right and select "Profile" to view previous pages.

Don't forget to personalize your page! Your page will automatically be linked to RMHC CTX and our Be the Light campaign. You'll see our logos and some general information, but your friends and family will want to know why this is important to YOU! Look for the "Edit your page" box in the top left.

For questions about setting up your page, contact Molly at mcostigan@rmhc-ctx.org. For more information on BE THE LIGHT and other ways to support our families this holiday season, please visit www.rmhc-ctx.org/bethelight.
