RONALD MCDONALD HOUSE CHARITIES OF CENTRAL TEXAS

YOUR 2020 IMPACT

In a typical year, RMHC CTX serves thousands of families across four core programs with the help of dedicated volunteers. Throughout the pandemic, pediatric medical crises did not stop, and the need for our services continues to grow. In 2019, RMHC CTX experienced its busiest year yet, and 500 families were on our waitlist at some point during that year.

AVERAGE LENGTH
OF STAY

In order to keep our families safe during the COVID-19 pandemic, RMHC CTX has been unable to utilize in-person volunteers since mid-March 2020. We are so grateful to all of our supporters who engaged in remote volunteer opportunities such as ordering meals or completing at-home projects, so that the families of RMHC CTX could still feel the love of the community.
